

Our Roles

Making change together

Speaking Rights Youth Changers...

Are leaders and visionaries

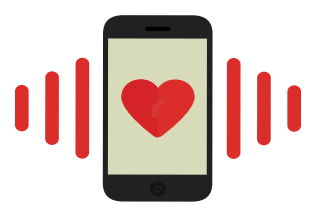

Think about how different young people are affected by a problem

Stand up, look at problems, and try to fix them

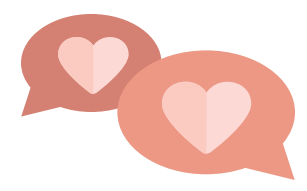

Are the voice of youth

Motivate others to get involved

Take action in youthful and creative ways

Promote the project within the community

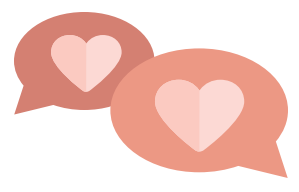

Are role models

Are passionate and committed

Are co-facilitators

Youth Workers...

Are open-minded and respectful

Are good listeners

Offer a supporting and loving environment

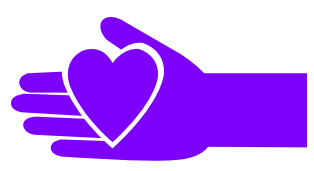

Treat youth as equals

Help youth navigate budget and legal questions

Analyze the strengths and the weaknesses of the team

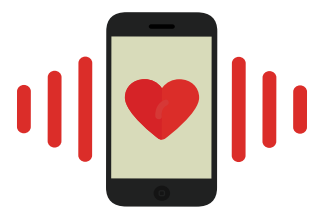

Are time keepers

Are committed and passionate

Ask good questions to improve projects

Make room for young people to make mistakes

Help set up partnerships

Promote the project throughout their network

Help connect with decision-makers in the community
